

7<sup>th</sup> December 2016

**Senior Responsible Officer Circular (7)  
Change to IOCCO Communications Data Inspection Reports – with effect from  
January 2017**

From January 2017, IOCCO inspectors will no longer categorise Public Authorities' compliance with the Regulation of Investigatory Powers Act and its associated Code of Practice as "Poor", "Good" or "Satisfactory", instead the inspector will simply report whether the public authority has "complied" or "not complied" with the Code of Practice.

If you have any questions please do not hesitate to contact IOCCO at [info@iocco.gsi.gov.uk](mailto:info@iocco.gsi.gov.uk).
